"I always considered Sam ~~to~~ the epitome of a college professor, a true man of academia," said Jeff Foster, SSCC Associate Professor. "I had the privilege of having him as a professor when I attended Southern State, and was so honored when he welcomed me as a fellow faculty member. He was one of the best mentors a young faculty member could ever expect to have."

Dr. Ladrach, along with his late wife, Jeff Ladrach, a former medical assisting instructor for Southern State, promoted endeavors that positively impacted students as wbeahatvte /-6.1(er)-0. /
